Kenji's assistant

Kenji Sato

Story

Kenji Sato and his assistant from Moritech Corporation are visiting a construction company in Cincinnati, Ohio, in order to renew their contract with them. Since the construction company has rejected the first renewal proposal, Kenji came to speak directly with them in order to avoid any misunderstandings on the second proposal.

Kenji wants to renew the contract on the same terms and conditions except for their volume discount. However, the construction company wants to change almost everything on the contract so that they can have more advantage.
