■ Dialog: Introducing a Company

John: How did the company start?

Hiro: We started as a small factory in 1970.

John: Did you make bio-plastic then?

Hiro: No. We were making plastic spoons and forks at the start.

John: Really? I didn't know that.

Hiro: We switched to making plastic in 1973.

John: And now you are one of the top makers of bio-plastic.

Hiro: Yes. We make 1,000 tons of bio-plastic every year.
